SUMMARY

Highly skilled and motivated Full Stack Developer with a passion for creating cutting-edge web applications. Proficient in front-end technologies, such as HTML, CSS, and JavaScript, and experienced in using popular frameworks like Reactjs. Strong background in back-end development with Node.js and Java, coupled with expertise in database management using SQL and NoSQL. Committed to writing clean, efficient, and maintainable code. Collaborative team player with a keen eye for detail and a drive to continuously learn and excel in the field. Eager to contribute to dynamic projects and make a meaningful impact in a professional environment.
